Boat Launch

All SCCA dock lessees

We have been able to reach an agreement with the Northdale Homeowners Association (NHA) on the use of their boat launch. The Northdale subdivision is located on Doane road across from Moose Ridge golf course. The boat launch is located on Crooked Lake. The NHA boat launch is very nice, the ramp is wide, concrete, and extends deep into the water. The approach is gravel and on high ground, there is little chance of the weather affecting your ability to use the launch. There is no formal agreement between NHA and SCCA; each individual will be responsible for paying any fees and adhering to the terms of the agreement. The Environment & Waterway committee will act as a liaison between SCCA dock lessee's and NHA and also ensure that all dock lessees are adhering to the terms. NHA can cancel this agreement at any time for failing to abide by the terms.

- This offer is only open to current SCCA dock lessee's
- The boat or PWC must be registered to the SCCA dock lessee
- The cost is $75 per year per boat or PWC
    - An additional $25 for any boat or PWC registered to the same SCCA dock lessee
- You are allowed to launch in the spring and remove in the fall
    - One additional removal/launch is allowed for any maintenance required
    - If additional removal/launches are needed the cost is $25 per cycle
- You can launch Mon-Friday excluding holidays
- You must contact one of the 5 board members to arrange the date and time, contact info will be provided upon payment and signed agreement.
- You are not allowed to use any of the facilities at the NHA boat launch; this includes the beach, pavilion or parking area.

If you are interested in signing up to use the NHA boat launch please fill-in your information below and return a signed copy of this agreement with check by March 23rd to Gordon or Kasey. You can sign up after this but spring is coming early so why wait. Please make checks payable to: Northdale Homeowners Association
